Nome Completo:Paulo Ribeiro	Data:28/04/2021
Azure	
Módulo : Azure Data Fctory copiando Dados entre Blog Storage e Data Lake Gen2	

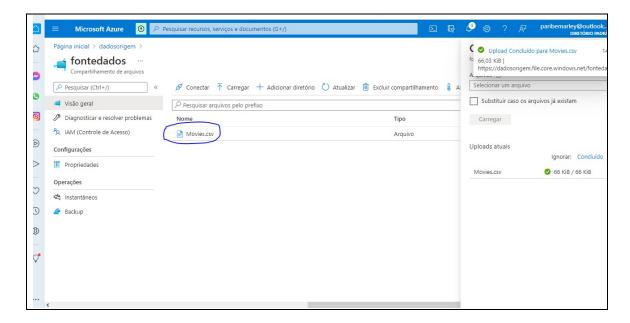

Filmes é um negócio pioneiro em vendas de filmes e serviço de assinatura de varejo nos Estados Unidos. À medida que a banda larga se tornou mais comum em residências, eles adotaram seus serviços para oferecer streaming de filmes e programas de televisão.

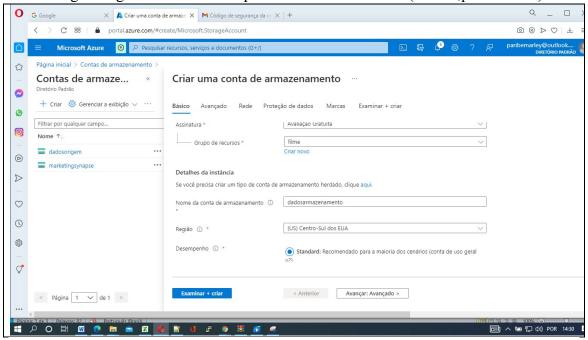

## Criar Blog Storage para receber arquivo csv

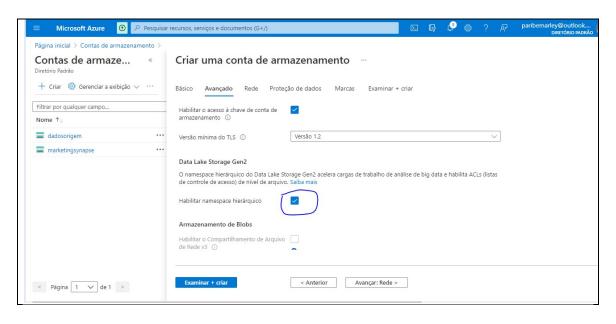

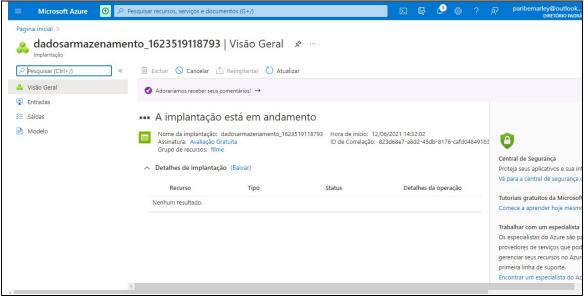

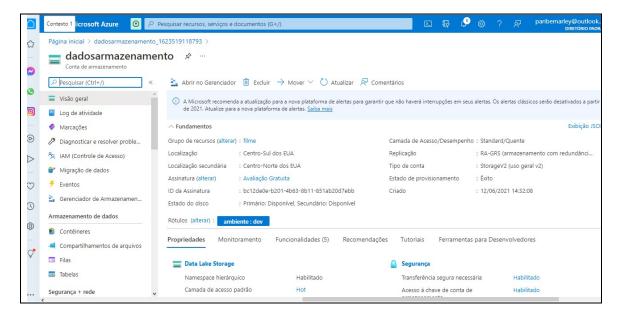

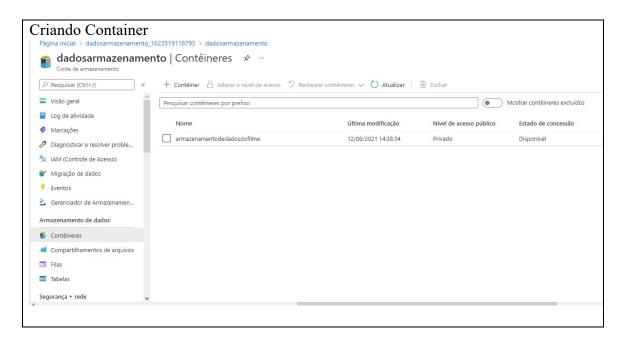

Criar Blog Storage Data Lake Gen2 para conceito Delta Lake (bronze,prata e ouro)

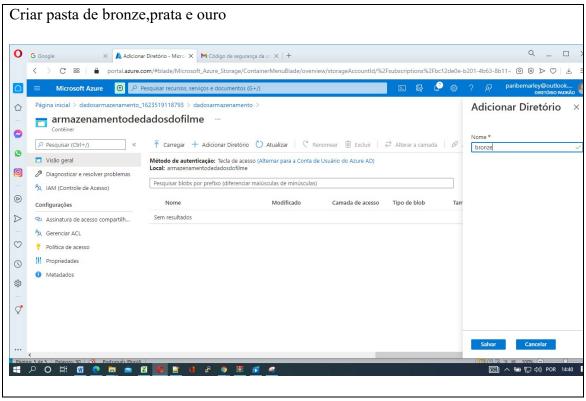

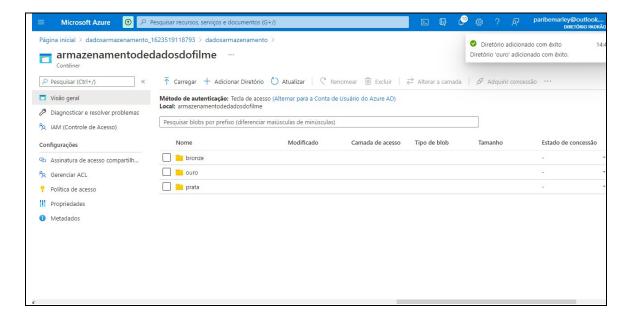

## Pipeline
